Ms. Salinas,

It was a pleasure speaking with you today. As you know, I represent Praxair, Inc., with respect to the CES Environmental Services, Inc.-Houston Superfund Site. As we discussed, I write to request the following:

- a link to the CES business-records collection that EPA will eventually make available
- a PRP contact list, should you compile one

Thank you again for your help, and I look forward to working with you.

Regards,

Ed Grauman
